

# How joining the Australasian Marcé Society

could help your clinical practice.

## NEED PATIENT ADVICE?

“ Could I ask your opinions regarding prophylactic treatment for this client? Would you start prior to birth or immediately post birth? ”

## SEEK EXPERT OPINION?

“ I have a colleague that inquired about “go to” medication for a pregnant patient, 12 weeks, with ADD.. also, has anyone seen any information regarding effective CAM therapies? ”

## WANT TO CONNECT WITH COLLEAGUES?

“ I am travelling to Osaka, Kyoto and Hiroshima in March with my daughter and I would love the opportunity to meet any perinatal colleagues in those cities while I'm there. If anyone could connect me, I'd appreciate it. ”

## SEEK HELP FOR A PATIENT ABROAD

“ I have a patient moving to Amsterdam. Could anyone recommend a local perinatal psychiatrist? ”
